

PAYMENT OPTIONS

We strive to provide you with the highest quality care at a reasonable price. Timely payment on your account helps us to keep our costs down; in order to facilitate this, we offer the following payment options:

1. **CASH PAYMENT (without insurance)**
A five percent discount will be given for payment in full at the time of treatment.
2. **50% down / 50% at time of delivery**
This applies to procedures that require 2 or more office visits, such as crowns, bridges, implants, dentures & partials, night guards, etc.
3. **INSURANCE (office-filed)**
We will file your claim with your insurance company. Payment of your estimated portion not covered by insurance is expected at the time of treatment.
4. **CARE-CREDIT**
This is a third-party credit-based payment plan that allows for payments to be made for a period of twelve months interest-free. Longer financing is also available. The application process is very simple; speak with Laura Thomas or Kristina Kirby if you have any questions.

Balances not paid after 30 days are subject to a monthly administration fee. Balances not paid after 90 days will be turned over to a collection agency for payment if prior arrangements have not been made.

I have read and understand the payment options presented to me:
