Dear New Patient,

Welcome to our practice! We are genuinely pleased that you have chosen us for your dental care. Our practice realizes the importance of referrals and we value them greatly. We are always excited to see new smiles coming through our door!

Dr. Martin and team members look forward to introducing you to the benefits of quality dental care. We strive for excellence in dentistry with a dedication to personal service. Our goal is to always make you smile!

Our staff members are devoted to making your appointments as pleasant and enjoyable as possible. We take great pride in our ability to provide you with optimal dental care designed for your unique needs and desires.

At your first appointment, one of our hygienists and Dr. Martin will complete a comprehensive oral examination. This includes a complete review of your medical and dental history, all necessary x-rays and intraoral photos, oral cancer screening, periodontal health evaluation, and examination of your teeth and soft tissues. Following this exam, Dr. Martin will discuss his findings with you, develop a treatment plan that you are comfortable with, and then you will be scheduled according to your needs.

Please be prepared for your appointment by printing and completing the new patient registration forms. If you have dental insurance, be sure to provide all requested information to assist us in the benefit verification process. Also, please review our financial policy. If you have any questions about finances please feel free to ask us at any time.

We very much appreciate your confidence in us and look forward to providing you with a very pleasant dental experience!

With Warm Regards,

*Dr. Douglas Martin & Team*
