New York College of Podiatric Medicine

Jerry Seinfeld Honors NYCPM Alumnus Joseph D'Amico, DPM, with Third Donation to College

For the third year in a row, comedian Jerry Seinfeld has expressed his gratitude for the skill of his podiatrist, Joseph D'Amico, DPM, Adjunct Professor of Orthopedics and Pediatrics at the College and an alumnus, with a substantial donation to his alma mater. The donation will support the Richard O. Schuster Memorial Biomechanics Seminar, of which Dr. D'Amico is scientific chair, as well as biomechanics research and foot care for needy New Yorkers.
