**Local Surgeon Attends National Surgical Association's Premiere Conference**

**Waynesville April 2018 – Robert M Przynosch DPM, FACFAS**, of Waynesville, was among the nearly 1,900 foot and ankle surgeons from around the world who gathered in Nashville, TN for the American College of Foot and Ankle Surgeons' 76<sup>th</sup> Scientific Conference on March 22-24, 2018. By attending, Dr. Przynosch played a critical role in educating himself with advanced surgical knowledge to bring back to the patients in which he serves.

The conference featured forward-focusing scientific sessions, which introduced new, progressive techniques and abundant opportunity for acquiring continuing medical education (CME) credit. Surgeons who attended this conference advance the profession of foot and ankle surgery world-wide, and Dr. Przynosch is among this highly skilled, pioneering group.

Among the many scientific skills courses that Dr. Przynosch participated in were: "new concepts for optimizing reconstruction foot surgery in the diabetic patient; and current concepts in flat foot reconstruction surgery

Dr. Przynosch practices at Smoky Mountain Foot Clinic in Waynesville, NC he specializes in the treatment of foot problems and deformities and is a Fellow Member of the American College of Foot and Ankle Surgeons. To reach Dr. Przynosch call (828)452-4343
