We realize that every person's financial situation is different. For this reason, we have worked hard to provide a variety of payment options to help you receive the dental care needed to enjoy a healthy and confident smile.

Dental Insurance

We are happy to file the forms necessary to see that you receive the full benefits of your coverage; however, **we cannot guarantee any estimated coverage.** Co-payments and deductibles are due at the time treatment is provided. Because the insurance policy is an agreement between you and the insurance company we ask that **all patients be directly responsible for all charges.** Please know that we will do everything possible to see that you receive the full benefits of your policy. If for some reason your insurance company has not paid their portion within 90 days from the start of treatment, you are responsible for payment at that time.

If you do not have insurance, payment is due in full at the time treatment is provided.

Payment Options

CASH OR CHECK- We accept personal checks, cash, and money orders.

CREDIT CARDS - For your convenience, we have made arrangements to accept payment by several major credit cards.

PAYMENT PLAN - For patients who desire a monthly payment plan, we have made arrangements with a finance company. There are no application fees or down payment and the loan can be interest free for twelve months. Applications are available from our office manager and approval is provided quickly.

There is a \$30.00 service charge on all returned checks.

There will be an additional service charge on any delinquent account sent to our collection agency.

I HAVE READ AND FULLY UNDERSTAND THE ABOVE POLICY
