

Cancellation & No Show Policy

Lisle Dental Center strives above and beyond to work with the nuances of your schedule, accommodating the needs of sometimes the busiest patients. We ensure that our team works diligently to make sure we can schedule your oral health needs appropriately within the confines of the hours at LDC.

With the same token, LDC extends this courtesy for every patient, therefore we appreciate a 48 hour minimum cancellation policy. We understand and are fully aware emergencies occur, however if appointments cannot be kept for any reason a \$50 missed appointment fee will be applied to your account.

For more than two missed/cancelled appointments we will need to take a deposit to ensure your placement in our schedule, and reserve the right turn your treatment needs away so that we can focus on the needs of our other patients at large.

We thank you in advance for your understanding, and look forward to serving all of your oral health needs to the highest standard of care possible.
