Dear Cherished Patient,

I wish to thank Dr. Parker for trusting me to continue to provide quality dental care to all of his patients. He was a very talented dentist who dedicated many years of his life to create a welcoming and comforting environment at his office. I am happy and proud to take over his practice.

My name is Katerina Rachkova but many simply call me "Dr. Kate". I am excited to meet each and every one of you and develop a long-term professional relationship. Earning your trust and confidence is my goal.

I'd like to share with you a bit about myself. I graduated from the University of Illinois College of Dentistry and while there I received the Golden Scaler Award for outstanding performance in clinical periodontics. I regularly attend continuing education classes to keep up with the latest dental information and techniques. Providing exceptional dental care to both adults and children is my aim.

In addition, I live in the Chicago area with my two incredible children and my wonderful husband. I enjoy traveling, outdoor activities, and spending time with friends.

I am delighted to continue to work with Dr. Parker's amazing and knowledgeable team of Jennifer, Karen, Peg, and Debbie. The office location, phone numbers, and services will all remain the same.

Once again, I am thankful for this opportunity and I am excited to meet you all!

Sincerely,

A handwritten signature in black ink that reads "Kate Rachkova". The signature is written in a cursive style.
